

# Get paired with a Peer Navigator to guide you along the prostate cancer journey

You are being invited to participate in a research study

## What is it?

**TrueNTH (True North) Peer Navigation** is a new study led by Dr. Arminee Kazanjian at the School of Population and Public Health, University of British Columbia, that puts trained prostate cancer survivors and caregivers in touch with patients and caregivers looking for support through the prostate cancer journey. This work was awarded by Prostate Cancer Canada and is proudly funded by the Movember Foundation.

## Who are we looking for?

**A prostate cancer patient who:**

- Has been diagnosed with localized prostate cancer (at least 4 weeks ago or longer);
- AND is able to use the Internet for basic tasks;
- AND is able to read, speak and write in English.

**OR**

**A caregiver of a man with prostate cancer who:**

- Has been diagnosed with localized prostate cancer (at least 4 weeks ago or longer);
- AND is able to use the Internet for basic tasks;
- AND is able to read, speak and write in English

## What is involved?

- Apply online to take part of the study
- Be matched with a trained peer navigator to receive peer support
